If your trip is not in the summer, you must request the funds 10 days before the due date. Any excess funds coming in for an individual will go into the Joel Korver Short Term Missions Memorial Fund to be used at the discretion of the Missions Ministry Team (MMT). Please specify who the check should be made out to and the address:

FBC does not have a Short Term Missions budget. However, by filling out this application and submitting it to the Missions Ministry Team, approved applicants can receive contributions through the church. Applicants are encouraged to send letters to help raise their support

The Short Term Summer Missions Emphasis night is scheduled in April. Considerations will be given to all approved applicants to speak. However, not all applicants will be able to speak due to time constraints, (members will be given preference over associate members) but you will be eligible to receive a share of the love offering received that evening.

It is the policy of FBC that no donor names are disclosed.

If your trip is not taken during the summer months

- *You will not share in the summer Short Term Missions offering taken in April.*
